

HCG Weight Loss

- ❖ Must have office visit with provider first in order to start or restart HCG treatment.
- ❖ HCG is a 40 day (6 weeks) treatment period.
- ❖ Total cost of HCG medication only will be \$150.
- ❖ A prepayment of \$75 will be required upfront in order for office to order the HCG medication. Once we have ordered the HCG medication there will be no refunds.
- ❖ Lipo-Energetic injections will also be given weekly or biweekly. Must pay \$12 per injection at appointment.
- ❖ The nurse will call you to schedule the first appointment when the HCG medication has arrived at the office.
- ❖ At first appointment for HCG treatment, must pay remaining \$75.
- ❖ A weekly appointment will need to be made on your choice of day, Monday-Thursday between 1pm -2 pm to be weighed, measured and to receive your week worth of HCG injections and weekly Lipo-Energetic Injection.
- ❖ We **DO NOT** accept any walk-ins for HCG treatment due to the time the nurse has to spend with you.
- ❖ After your 40 days of treatment, you will need to be off of the HCG medication for at least 40 days, but can continue to receive the Lipo-Energetic injection weekly/biweekly.

HCG Weight Loss

- ❖ Please note, if you do not finish your HCG treatment by the expiration date written on your packet, we are not responsible for the loss and no refunds will be given.
- ❖ Will need to make another appointment with provider in order to restart HCG treatment again.

I have read and understand all terms of the HCG Weight Loss treatment. I understand that Tennessee Valley Family Care is not responsible for any loss and there will be no refunds once the HCG medication is ordered.
